

1       AN ACT relating to child support.

2       *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3           ➔Section 1. KRS 403.212 is amended to read as follows:

4       (1) The following provisions and child support table shall be the child support  
5       guidelines established for the Commonwealth of Kentucky.

6       (2) For the purposes of the child support guidelines:

7           (a) "Income" means actual gross income of the parent if employed to full capacity  
8           or potential income if unemployed or underemployed;[.]

9           (b) "Gross income" includes income from any source, except as excluded in this  
10          subsection, and includes but is not limited to income from salaries, wages,  
11          retirement and pension funds, commissions, bonuses, dividends, severance  
12          pay, pensions, interest, trust income, annuities, capital gains, Social Security  
13          benefits, workers' compensation benefits, unemployment insurance benefits,  
14          disability insurance benefits, Supplemental Security Income (SSI), gifts,  
15          prizes, and alimony or maintenance received. Specifically excluded are  
16          benefits received from means-tested public assistance programs, including but  
17          not limited to public assistance as defined under Title IV-A of the Federal  
18          Social Security Act, and food stamps;[.]

19           (c) For income from self-employment, rent, royalties, proprietorship of a  
20          business, or joint ownership of a partnership or closely held corporation,  
21          "gross income" means gross receipts minus ordinary and necessary expenses  
22          required for self-employment or business operation. Straight-line depreciation,  
23          using Internal Revenue Service (IRS) guidelines, shall be the only allowable  
24          method of calculating depreciation expense in determining gross income.  
25          Specifically excluded from ordinary and necessary expenses for purposes of  
26          this guideline shall be investment tax credits or any other business expenses  
27          inappropriate for determining gross income for purposes of calculating child

1 support. Income and expenses from self-employment or operation of a  
2 business shall be carefully reviewed to determine an appropriate level of gross  
3 income available to the parent to satisfy a child support obligation. In most  
4 cases, this amount will differ from a determination of business income for tax  
5 purposes. Expense reimbursement or in-kind payments received by a parent in  
6 the course of employment, self-employment, or operation of a business or  
7 personal use of business property or payments of expenses by a business, shall  
8 be counted as income if they are significant and reduce personal living  
9 expenses such as a company or business car, free housing, reimbursed meals,  
10 or club dues;[.]

11 (d) If a parent is voluntarily unemployed or underemployed, child support shall be  
12 calculated based on a determination of potential income, except that a  
13 determination of potential income shall not be made for a parent who is  
14 incarcerated, physically or mentally incapacitated, or is caring for a very  
15 young child, age three (3) or younger, for whom the parents owe a joint legal  
16 responsibility. Potential income shall be determined based upon employment  
17 potential and probable earnings level based on the obligor's or obligee's recent  
18 work history, occupational qualifications, and prevailing job opportunities and  
19 earnings levels in the community. A court may find a parent to be voluntarily  
20 unemployed or underemployed without finding that the parent intended to  
21 avoid or reduce the child support obligation;[.]

22 (e) "Imputed child support obligation" means the amount of child support the  
23 parent would be required to pay from application of the child support  
24 guidelines;[.]

25 (f) Income statements of the parents shall be verified by documentation of both  
26 current and past income. Suitable documentation shall include, but shall not  
27 be limited to, income tax returns, paystubs, employer statements, or receipts

1                   and expenses if self-employed;]

2         (g) "Combined monthly adjusted parental gross income" means the combined  
3                   monthly gross incomes of both parents, less any of the following payments  
4                   made by the parent:

5                 1. The amount of pre-existing orders for current maintenance for prior  
6                   spouses to the extent payment is actually made and the amount of  
7                   current maintenance, if any, ordered paid in the proceeding before the  
8                   court;

9                 2. The amount of pre-existing orders of current child support for prior-born  
10                  children to the extent payment is actually made under those orders; and

11                 3. A deduction for the support to the extent payment is made, if a parent is  
12                  legally responsible for and is actually providing support for other prior-  
13                  born children who are not the subject of a particular proceeding. If the  
14                  prior-born children reside with that parent, an "imputed child support  
15                  obligation" shall be allowed in the amount which would result from  
16                  application of the guidelines for the support of the prior-born children;

17                   and]

18         (h) "Split custody arrangement" means a situation where each parent is the  
19                  residential custodian for one (1) or more children for whom the parents share  
20                  a joint legal responsibility.

21         (3) The child support obligation set forth in the child support guidelines table shall be  
22                  divided between the parents in proportion to their combined monthly adjusted  
23                  parental gross income.

24         (4) The child support obligation shall be the appropriate amount for the number of  
25                  children in the table for whom the parents share a joint legal responsibility. The  
26                  minimum amount of child support shall be sixty dollars (\$60) per month.

27         (5) The court may use its judicial discretion in determining child support in

1       circumstances where combined adjusted parental gross income exceeds the  
2       uppermost levels of the guideline table.

3       (6) The child support obligation in a split custody arrangement shall be calculated in the  
4       following manner:

5           (a) Two (2) separate child support obligation worksheets shall be prepared, one  
6           (1) for each household, using the number of children born of the relationship  
7           in each separate household, rather than the total number of children born of  
8           the relationship.

9           (b) The nonresidential custodian with the greater monthly obligation amount shall  
10          pay the difference between the obligation amounts, as determined by the  
11          worksheets, to the other parent.

12       (7) The child support guidelines table is as follows:

13           **COMBINED**

14           **MONTHLY**

15           **ADJUSTED**

16           **PARENTAL**

17 <b>GROSS</b>	18 <b>INCOME</b>	19 <b>ONE CHILD</b>	20 <b>TWO CHILDREN</b>	21 <b>THREE CHILDREN</b>	22 <b>FOUR CHILDREN</b>	23 <b>FIVE CHILDREN</b>	24 <b>SIX CHILDREN</b>	25 <b>OR MORE CHILDREN</b>
